An Unfailing Effort for Environmentally Sustainable Development

Young Friends of Environment - Ambassadors for Sustainable Development - Expedition

Panjim, Goa
December 12- 16, 2021

To encourage Students and Youth to develop skills and participation on Environment, we plan to develop new initiative -*YOUNG FRIENDS OF ENVIRONMENT: AMBASSADOR FOR SUSTAINABLE DEVELOPMENT*.

The aim of the program is to encourage students and youth to participate in events such as expeditions, exchange programs and science/environment based hands on activities.

The members of YFOE will be provided with Identity Card which will be issued by Indian Environmental Society and certificate of participation in the events. They will also have priority to participate in the Lake Pokhara Expedition planned during September, 2022

This is to inform you that the first expedition of YFOE will be held in Goa during December 12 - 16, 2021. The members of YFOE will arrive in Panjim on December 12, 2021 and Depart on December 16, 2021 (accommodation for four nights). During the expeditions the participants will have opportunity to perform Hydrology protocols on River Mandvi and Beach (Marine water) and will compare the data to learn the difference in water parameters of fresh and marine water. The visits and excursions will also be organized during the event.

The charges of the event are Rs.7, 500/- per person which will include Registration, accommodation at Youth Hostel, food and local travel during the event. The ID of YFOE and the certification will be provided to participants. The total number for the event is limited to 30 only.

The participants will send two photographs in advance so that their IDs can be prepared.
